Provider Directory / *Directorio de Proveedores*

## *About This Directory*

### **Helpful tips for using this directory**

- Each provider in this directory has a National Provider Identifier (NPI) number that is associated only with that provider.
- To verify the availability of providers, call Alliance Member Services department at (800)700-3874 between 8:00AM and 5:30PM.
- There are several codes in this directory that indicate participation with one of several programs, listed below. For more information about these programs, please call the Alliance Member Services department at (800) 700-3874 between 8:00AM and 5:30PM.
  - CHDP: Y indicates that a provider is certified to provide Child Health and Disability Prevention program services.
  - CPSP: Y indicates that a provider is certified to provide Comprehensive Perinatal Services Program services.
  - CCS: Y indicates that a provider is able to provide California Children's Services program services.

### **Choosing Your Primary Care Provider**

Each Alliance member needs to choose a family doctor, called a Primary Care Provider (PCP). If you do not choose a PCP, you will be automatically assigned to a PCP in your area.

Please carefully review the provider listings in the PCP section of this directory before choosing your PCP.

- Note the hospital with which the PCP is affiliated as this is where you will go for hospital care, if necessary.
- Note where the provider's office is located, what the office hours are, what the telephone numbers are, and what languages they speak.
- Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you choose your PCP. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Alliance at (831) 430-5500 to ensure that you can obtain the health care services that you need.

### **Important Information about Referrals and Authorizations**

- Authorization or referral may be required to access some providers.
- Only your current Primary Care Provider (PCP) may issue a Referral Authorization Form (RAF).
- When your medical condition requires services not available through this directory's list of contracted physicians/providers, your PCP may request authorization for the services of physicians/providers outside of the Alliance network. If you have a question regarding a particular physician/provider's participation with the Alliance, please call the Alliance Member Services department at (800) 700-3874.
- You can access **some** Allied Health Services without an authorization from your PCP. Please refer to your Member Handbook or call the Alliance Member Services department at (800) 700-3874 for more information.

*Sobre este directorio*

Central California Alliance for Health (la Alianza) ofrece este directorio con la información que nos enviaron las oficinas médicas y de proveedores, y la información de acreditaciones hospitalares.

**Consejos útiles para usar este directorio**

- Cada proveedor en este directorio tiene un Número Identificador de Proveedor Nacional (NPI, por sus siglas en inglés) que está asociado solo con ese proveedor.
- Hay varios códigos en este directorio que indican la participación con uno de varios programas que se indican a continuación. Para obtener más información sobre estos programas, llame al Departamento de Servicios a los Miembros de la Alianza al (800) 700-3874, de 8:00 a. m. a 5:30 p. m.
  - Programa de Salud y Prevención de Discapacidades en Niños (CHDP, por sus siglas en inglés): Indica que un proveedor está acreditado para dar servicios de este programa.
  - Programa de Servicios Prenatales Comprensivos (CPSP, por sus siglas en inglés): Indica que un proveedor está acreditado para dar servicios de este programa.
  - Servicios para Niños de California (CCS, por sus siglas en inglés): Indica que un proveedor puede dar servicios de este programa.

**Cómo elegir su Proveedor de Cuidado Primario**

Cada miembro de la Alianza necesita elegir un doctor familiar, al que se le conoce como Proveedor de Cuidado Primario (PCP, por sus siglas en inglés). Si usted no elige un PCP, se le asignará uno en su área.

Revise con cuidado las listas de proveedores, en la sección de PCP de este directorio, antes de elegir al suyo.

- Tenga en cuenta el hospital al que está afiliado el PCP, ya que es a donde tendrá que ir para recibir cuidado hospitalario, en caso de ser necesario.
- Tenga en cuenta la ubicación de la oficina del proveedor, los horarios de servicio, cuáles son los números de teléfono y qué idiomas hablan.
- Algunos hospitales y proveedores no dan uno o más de los siguientes servicios que es posible que estén cubiertos de acuerdo al contrato de su plan y que tal vez usted o un miembro de su familia necesiten: planificación familiar; servicios anticonceptivos, incluidos los anticonceptivos de emergencia; esterilización, incluida la ligadura de trompas en el momento del trabajo de parto y el parto; tratamientos para la infertilidad; o abortos. Debe recibir más información antes de elegir su PCP. Llame a su futuro doctor, grupo médico, asociación de práctica independiente o clínica, o a la Alianza al (831) 430-5500 para asegurarse de que pueda recibir los servicios de cuidado de salud que necesita.

**Información importante sobre referencias y autorizaciones**

- Es posible que se requiera una autorización o referencia para consultar a algunos proveedores.
- Solo su Proveedor de Cuidado Primario (PCP) puede enviar un Formulario de Autorización de Referencia (RAF, por sus siglas en inglés).
- Cuando su condición de salud requiere de servicios que no están disponibles en este directorio de proveedores contratados, su PCP puede pedir una autorización para los servicios proveedores fuera de la red de la Alianza, si están acreditados por Medi-Cal. Si tiene preguntas sobre la participación de un proveedor con la Alianza, llame al Departamento de Servicios a los Miembros de la Alianza al (800) 700-3874.
- Puede recibir **algunos** servicios médicos aliados sin una autorización de su PCP. Vea su Manual para Miembros o llame al Departamento de Servicios a los Miembros al (800) 700-3874 para recibir más información.

La intención es que los miembros puedan entrar y desplazarse por las oficinas de manera segura y sin ayuda de otros. Estos códigos todavía no se encuentran enumerados para todos los proveedores. Si no ve estos códigos enumerados bajo el nombre de cierto proveedor, llame a la oficina del proveedor. Puede preguntar si tienen el tipo de acceso que usted necesita.

**Niveles de acceso**

**Acceso básico**

La oficina cumple con las normas de estacionamiento, interior y exterior del edificio, salas de examen y baños (P, EB, IB, R y E).
